SAINT JOHN PAUL II SCHOLARSHIPS

Bringing the Peace of Christ to a World of Uncertainty

In close cooperation with the Holy See, The Papal Foundation delivers funds to care for the elderly, educate the young, strengthen families, feed the hungry, provide formation for future servants of the Lord, and build the Church.

With a commitment of \$14.9 million in 2024, the Foundation's total grants and scholarships now have reached over \$230 million to more than 2,600 projects. We offer daily prayers of thanksgiving for the faithful stewardship of all who have participated in this effort since our founding in 1989.
